

Allard Transfer Patterns

The following transfers are intended for application on rigid braces only:

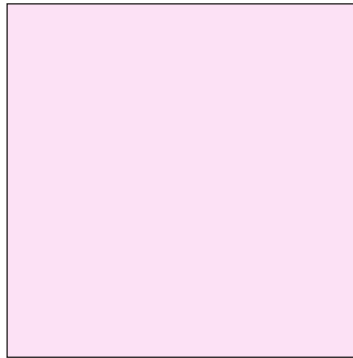

Boston Scoliosis Braces, Boston Body Jackets, Boston Soft Body Jackets with an External Frame, Boston Night Braces, Hybrid Night Braces.

Please note that colour variations can occur from time to time.

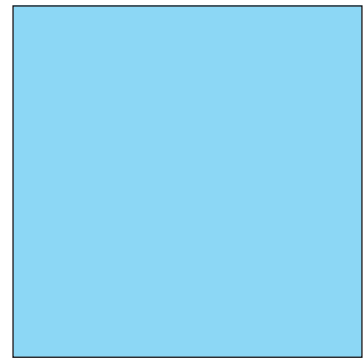

It is recommended that you provide two transfer options at the time of ordering as from time to time some transfers may not be available. If the first choice is not available, we will automatically manufacture the brace with the second choice provided.
