

# Selection® Wrist Short

This wrist support is similar to Selection Wrist Soft, only shorter and without any spoon on the volar side. It has the same strapping features, adjustable thumb strap and made from the smooth and well appreciated Selection-material.

## Recommended Range Of Application

Supports and relieves the wrist after injuries, operations, casting, hypermobility, rheumatic problems, chronic pain, osteoarthritis, overloading. Can also be used in preventive purpose during heavy or repetitive movements.

## Measurements

Wrist circumference.
