Elements Body - Trial Sleeve

The Trial sleeve has been designed to be used in the assessment process for Elements Body MTM upper limb garments. It enables the clinician to evaluate the user's response to the application of a dynamic textile garment in preparation for a made to measure upper limb garment. The Trial sleeve is only to be used for an assessment period of 2–4 weeks to assist the clinician in identifying the clinical effectiveness and tolerance prior to the provision of an Elements Body MTM Garment.

Measurements

Measure 1: Circumference wrist cm
Measure 2: Circumference elbow cm
Measure 3: Circumference biceps cm

Item No.	Model	Size	Measurement 1	Measurement 2	Measurement 3
