# Standard Boston T

The Boston T is the perfect mate to wear under your Boston Brace. This white protective round neck body sock with single axilla flap is superior to a regular vest for cushioning. It stretches more than 150% to ensure a wrinkle-free fit under the Boston Brace. It is made from 95.6% CoolMax® and 4.4% Lycra®. CoolMax® includes an effective fibre-based moisture management system which moves perspiration away from the body and through the fabric where it evaporates quickly, allowing the wearer to feel cooler and more comfortable.
